

GUARDIAN SOCIETY

Our Guardian Society is made up of dedicated and compassionate individuals and families who strongly believe in St. Vincent Catholic Charities (STVCC) mission of service to our community. By making a five year pledge commitment to STVCC, Guardian Society Members embrace the importance of long term sustainable funding. Their investment enables us to forecast available resources five years into the future.

A special thank you to our Guardian Society Members for their long term investment in the mission of St. Vincent Catholic Charities and the quality of care for those we serve.
