3. Go through the whole application process and in the notes section at the end put: *I am a Ukrainian Parolee.*
4. Submit the application.
5. Upload the legal documents to your MiBridges account.
6. Check your mailbox daily — within 10 business days you will receive mail scheduling a telephone interview with your DHHS Case Worker.
7. To comply with DHHS you will need to at least apply and get a denial or approval letter for social security office and send that to DHHS. Please make an appointment or go in-person to a Social Security Office: secure.ssa.gov/ICON
